Dear Mr. Verkauf,

I was very much pleased to receive the lists forwarded by you on 16.10.44. They are being forwarded to those instances most vitally interested. I shall look forward to the arrival of further lists as indicated in your accompanying letter.

For reasons of background I am most interested in acquiring two books which were published by the Oesterreichische Staatsverlag (1). "Oesterreich's Führende Persönlichkeiten, and (2) "Oesterreich's Beamten". I am told the first is a sort of Who's Who. One is issued annually, the other appeared only once. I would be pleased to have a copy of each in any condition. Naturally, I expect to pay for them.

Concerning yourself, I wish you would furnish me with the regular personnel data about yourself, that you have been so kind to submit on the other names. I do not have your place of birth, education and former occupation and experience. At the time of our conversation I failed to record these.

With kindest personal regards.

Sincerely,

John G. Healy
